

REDWOOD ROADRUNNER REVIEW

Redwood Elementary School

Title 1 School

May/June 2019

Principal Priorities

Happy May and June!

The last two months of school tend to be two of the busiest months of the school year. Please pay close attention to the school calendar as well as your student's backpack for flyers and notes about upcoming events and activities. There will also be Remind messages and emails trying to keep you in the loop about all of the fun going on too!

It is field trip season so make sure you have your volunteer form turned in if you want to be a chaperone on one of the many field trips Redwood teachers put together for our students! Don't wait until the last minute!

The End of the Year Celebration (formally known as the Community Fair) will have a different feel this year. All vendors and activities will be out back and we will be including a few family games. We will also

be including a way for our families to show off their culture! Watch for a flyer and email to come home on how you can participate. Our theme this year is "Around the World with Redwood" to celebrate Redwood families heritage.

Certified Appreciation Week is May 6 - 10! Make sure and say a special thank you to your child's classroom teacher and don't forget PE, Music, EL, SPED, Title 1, Band and Strings!

As the year is coming to a close think of ways to keep your student's academic skills up over the summer. My best advice is to read, read, and read some more!

Have a wonderful May and June!

Your proud principal,
Mrs. Mooney

Quick Scan Dates:

Look Inside for important Grade Level dates!

- *May 2 5:15 Ready for K session 3*
- *May 7 2:30 PTA Meeting*
- *May 9 1:30 & 6:30 2nd Grade Music Program*

Office Outtakes

Our last Ready! For Kinder session is scheduled for Thursday, May 2nd from 5:15-7:30. Don't forget to register and come on down!

If you are planning on going on a field trip with your student you need to make sure you are on our approved volunteer list. If you have not filled out a volun-

teer form, please plan on at least a week for us to get the ok.

As we get to the end of the year, please remember that any medicines you have brought throughout the year need to be picked up. We cannot hang on to medicines over the summer holiday.

Handbook Holdouts

In order to assist with [the attendance] process GPSD utilizes the Attention 2 Attendance (A2A) notification and letter writing system. This system is designed to help identify and support students who may have barriers that prevent their ability to attend school. It is also designed to provide unbiased identification, support, and in some cases accountability for all families, regardless of race, age, or financial situation. Letters are mailed home in the following sequence:

1. Attendance Notice—sent to students who accumulate 4 or more days of absences
2. Excessive Absence Letter 1—sent to students who accumulate 7 or more days of absences
3. Excessive Absence Letter 2—sent to students who accumulate 10 or more days of absences
4. Excessive Absence Letter 3—sent to stu-

dents who accumulate 14 or more days of absences

5. Conference Summons—follows letter 3 and requires the parent to attend a meeting to develop an attendance intervention plan.
6. Citation Notification—delivered by Law Enforcement/Administrator/Certified Mail to parent whose student has exceeded 17 days of absences and has not cooperated with the school on a developed attendance intervention plan designed to support their child's regular school attendance
7. Notification of Truancy—for any student with 4 or more unverified days of absence within a four week period.

Any day that a student is not present for instruction or is not involved with a school sponsored activity (field trips, band, athletics, etc) is tracked by the A2A system. This also includes absences that have been verified by the parent such as vacations.

End of Year Dates

Kindergarten

May 23 11:00-1:30 to Wildlife Images
June 7 9:15-10:15 to Fire Station

1st Grade

May 23 8:00-1:30 to Science Works

June 7 8:30-11:30 Jet Boats

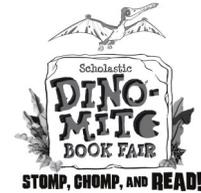

Students of the Month

KB- Kaylee Henslee
KE- Amelia Pump
KR- Marilyn Stewart
1H- Kylie Prince
1K- Reid Kimler
1S- Tatum York
2B- Jotham Hinkley
2R- Sergio Ayala
2S- Stella Williams
3D- Paxton Brons
3J- Noah Wallace
3P- Francis Miner
4B- Molly Blanchard
4H- Angelo Maranov
4K- Rawli Mendes
5C- William White
5P- Mason Fifield
5T- Taryn Mowry
PE- Veronica Wheatley
Music- Max Thompson
Library- Matthew Reimer
ELL- Yahir Sarmiento
Title 1- Kairi Washington
Explorations- Jenkins Armstrong
SPED- Olivia Armstrong
Kitchen-Zair Majarano

Library

Please join us for the Scholastic Dino-Mite Book Fair May 28th- May 31st! Look for information being sent home soon! Dinosaurs didn't read! Now they are extinct! Also, the library will be hosting a book writing contest in May! See Mrs. Logue for more details!

PTA

Certified appreciation week is coming up! May 6-10 please let your teachers know how much you appreciate them.

If you are interested in being a part of the Redwood PTA Board, or want to vote on next year's board members, please come to the next PTA meeting on Tuesday, May 7th at 2:30 in the library. There will be daycare provided for your children, free of charge. See you there!

Cafeteria

Wow, this year has gone by so fast! When you receive a slip from your child's teacher, asking if you would like a bag lunch for a field trip, it is very important that you return it to them ASAP. This is the time of year that we have a lot of different classes going on trips so it is very helpful to get them back in a timely manner. Thank you,
Tamara McCurry

Nurses Notes

Summer will be here before we know it... The school year will be over and summer break will soon be here. Summer plans usually include some days in the water, in the sun and having fun outdoors. Swim safety is really important throughout the year, but especially in the summer when there are trips to the pool, lakes, rivers and ocean. Don't forget to use healthy habits like sunscreen and plenty of water for good hydration. Ticks and mosquitoes may be a cause for concern in warm weather. Use protection and always check for ticks when you have been out enjoying the great outdoors. This will all go far towards staying well in the summer. Keep up the prevention of colds (yes, even in summer) by covering coughs and sneezes and good hand-washing.

See the KidsHealth web-links below for some helpful information.

As you prepare for the new school year... Summer is a good time to get re-organized for the new school year. Up-date your child's health protocol if there are any changes. Our District #7 health protocols (for asthma, significant allergies, seizures, diabetes and others) are used to advise staff working with your child of their individual needs, especially when there is a possible emergency related to their health needs. Just a reminder about student health protocols: you may renew this year's protocol by coming to the school to re-sign and date the

protocol on file, or you may complete a new protocol form. A new protocol form is required if there are any changes to your child's health protocol. Also, please let us know in writing if your child no longer needs the protocol we have on file. If your child has new health needs you will need to complete a new protocol form.
