Students We Serve

DEMOGRAPHICS

Table with demographic data for American Indian/Alaska Native, Asian, Black/African American, Hispanic/Latino, Multiracial, Native Hawaiian/Pacific Islander, and White.

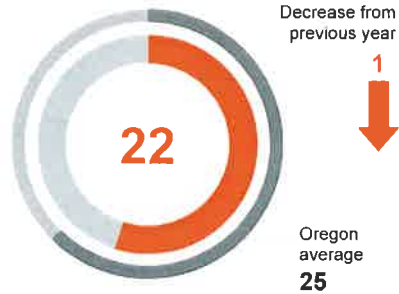

Summary statistics: <5% Ever English Learners, 14 Languages Spoken, 11% Students with Disabilities, 93% Required Vaccinations, >95% Free/Reduced Price Lunch

\*Not enough students

School Environment

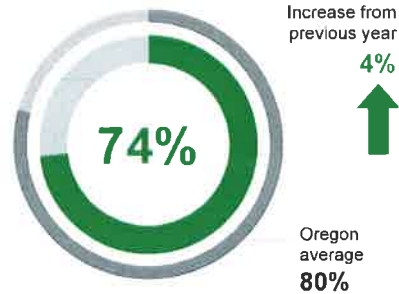

CLASS SIZE

Median size of classes in core subjects.

REGULAR ATTENDERS

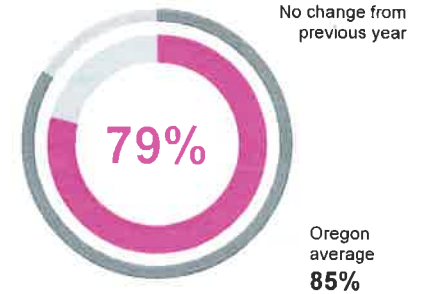

Students who attended more than 90% of their enrolled school days.

Academic Progress

ON-TRACK TO GRADUATE

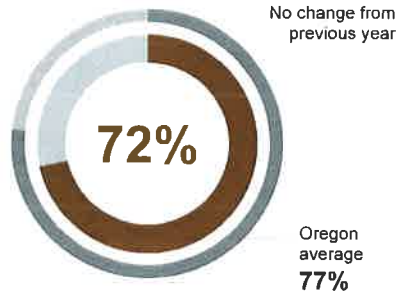

Students earning one-quarter of graduation credits in their 9th grade year.

Academic Success

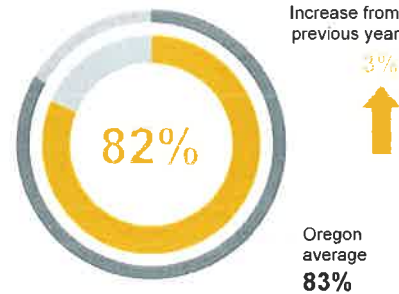

ON-TIME GRADUATION

Students earning a diploma within four years.

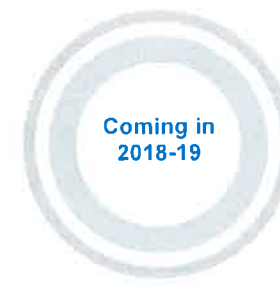

FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years.

COLLEGE GOING

Students enrolling in a two or four year college within one year of completing high school.

School Goals

We are pleased with the growth we have made in our attendance rates and in our 5-year completion rate. We have further growth needed in our Freshman on-Track rate. This year we have started the "GP Jump" Freshmen advising/mentoring program. We are excited about the impact this program can have on our Freshmen in helping ease their transition to high school and in keeping them on track (earning 6 credits each year) for graduation. In addition, we are implementing school wide best instructional strategies that align with AVID.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We are making concerted efforts to welcome ALL students and families at GPHS. We are excited about adding a new position of "Spanish Family Advocate". We have a TIDE team (Team of Inclusion, Equity, and Diversity) across our school district. Grants Pass Public Safety partners with us to provide a School Resource Officer at GPHS. This year we are pleased to provide a School Based Health Clinic at GPHS. We will continue to work make GPHS a welcoming and safe place for all

New principal in the last 3 years

### Outcomes

### About Our School

#### ADVANCED COURSEWORK

Grants Pass High School offers a robust assortment of honors and advanced courses. We have added four new Advanced Placement classes in the past four years. We currently have 15 AP class offerings plus strong partnerships with Southern Oregon University and Rogue Community College. There are more college credit opportunities at GPHS than in any school in the Rogue Valley.

#### CAREER & TECHNICAL EDUCATION

Our CTE program at GPHS has more program offerings that nearly any other school our size. Our program offers 10 CTE teachers in Basic Early Childhood, Computer Science, Culinary Arts, Health Science, Information Communication Technology, Manufacturing/Engineering Technology, and Marketing/Business Education. Our students have many opportunities to learn and grow in the field of their choice. All of our programs have college articulation agreements that allow our CTE students to earn college credits. Students have the opportunity to be "program completers" by finishing a pathway within a CTE program. We encourage all of our students to participate in these hands-on classes to develop skills and find their interest and passion.

#### EXTRACURRICULAR ACTIVITIES

We have 18 approved OSAA sports with over 800 students participating in these activities. Additionally we have a wide array of clubs for nearly every interest and ability. At present, over 25 clubs are available for students at GPHS. We are proud that every one of our clubs has a community service component built in.

#### PARENT & COMMUNITY ENGAGEMENT

"We are GP" is our districtwide mantra we believe in. This includes parents, students, community members and staff. We encourage all of our parents to participate in our parent informational nights held on Back to School Night, Parent Conference night, FAFSA night, Junior College night, as well as Booster Club events. Another area Grants Pass School District is focusing on is educating our community on the Resiliency Project. Several informational nights are held at district schools throughout the school year.
