

RR Support

Class Guidelines 2019-2020

Welcome to your Resource Room Support class! This class is made available to any student on a current Individualized Education Plan (IEP).

This class is designed to accomplish two tasks:

1. *Help you build academic skills as set out in your IEP (Individualized Education Plan) in math, writing and/or reading.*
2. *Give you a time in your day to complete daily class work, study for quizzes & tests, organize class work and get small group instruction.*

Guidelines:

1. Come to class on time. Be in your seat at the time the bell rings! Bring books and materials to class each day. This includes paper, pencil, and pen or whatever you need to be productive for the entire period.
2. Respect the rights of others to study and to have an atmosphere that is free of distractions.
3. Each class period will begin with an academic enrichment activity which is in line with IEP goals in academic areas. These exercises will be totaled and be a part of your semester grade in the class.
4. RR Support is a graded class. You will earn daily points which will lead to an overall A-F grade. You will be graded according to the following grading policy: The grading scale will be as follows:
 - A Mastery
 - B Approaching Mastery
 - C Proficient
 - F Not proficient

Please note the following regarding the use of electronic devices at GPHS:

It is the policy of Grants Pass High School that cell phones and other electronic devices (including headphones and ear buds) must be put away and are not permitted to be displayed, used, or viewed in any classrooms and/or during instructional time for any reason.

Students that display, use or view their cell phones or other electronic devices (including headphones) in violation of the above rules for any reason are, in essence, giving ANY staff member permission to confiscate it.

Student	Date	Parent(s)	Date
---------	------	-----------	------
