

## ONLINE REGISTRATION FOR THE 2019/2020 SCHOOL YEAR Starts soon!

Grants Pass School District #7 will be using PowerSchool Enrollment to enroll returning students to the 2019-20 school year. The system is a secure and paperless process, which allows the district to verify all student demographic, emergency and medical information for your child prior to the start of the new school year.

### Returning students will be able to begin registering for 2019-20 beginning the first week of June!

You will receive an email from: [registration@grantspass.k12.or.us](mailto:registration@grantspass.k12.or.us) with instructions on how to access the system for your student. The email contains a link with instructions and a secure "code" that links directly to your student's information. You created an account when you registered your student for the first school year they attended District 7 and you will use that same account for this year as well. To make the process easier for families with multiple students, you will have the option to copy all generic family information to all other students in your family.

We would appreciate all families completing these forms as soon as possible after receiving the email. Your student's registration will not be complete until the forms have been submitted. Our goal is to have the majority of returning students registered by June 30<sup>th</sup>. If you do not have access to the Internet, contact your child's school before June 30<sup>th</sup> or after August 1<sup>st</sup> and you can make an appointment to use a school computer to complete the process. Please note that all school offices, with the exception of GPHS, are closed the month of July; however, we will also have computers available at the District Office by appointment only. If you have any further questions, please contact the school office.

***It is very important to make sure your email address that is on file with the school is up to date so you receive all the email updates about online registration. Also, please let the office managers know if you will not be returning for the 2019-20 school year.***

## June Calendar
