

To log in to [GoGuardian](#) Choose your Google account.

Also here are some helpful links:

- * [Created](#) test classroom, noted that Google Classroom teachers can import rosters from Google
- * Explored [Teacher commands](#) like Close Tab, Open Tab & [Snapshot](#)
- * Tested & confirmed [chat and announcement](#) functions
- * Take a look at [scenes](#) and explained how Quick Lists for iReady, Quizlet work in Block Mode
- * Configured a sample district-level Quick List for district domain and launch pages
- * Touched on reporting capabilities like [Individual Student Browsing Reports](#) and Timelines data

Last, here are some further resources:

- * Getting Started Guide for teachers + PDF training handbook [here](#)
- * GoGuardian Training videos: training.goguardian.com
- * Support Live Chat: manage.goguardian.com, bottom right corner (6am - 5pm PDT)
