

# CELEBRATE!

## CELEBRATE YOUR CHILD'S BIRTHDAY\* WITH A SPECIAL GIFT!

Donate money to help purchase books for your school library.

Your child will receive:

- ◆ Special recognition in the library
- ◆ A "treasure" from the library treasure box

Birthday books will have a bookplate inside with your child's name inside the book, stating that this book was given to the library in honor of their birthday. Birthday books are presented as close to the child's birthday as possible, during their class's library time. We order the books from a library supplier to get the best binding possible for the price. The suggested donation is \$15.

Please make checks payable to Highland Elementary School and enclose with the bottom of this form. Please submit this form with the money, no later than October 31, 2019. Thank you!
