The Angel Tree has been a great success.

Dear Parents,

I hope this letter finds you and your family rested and ready for the challenging work ahead of us this year. I would like to welcome our three new teachers to Parkside. We hired a 2nd grade teacher, Miss. Hoback, who attended Parkside as a student herself! We hired a new 3rd grade teacher, Mr. Davidson, who transferred from Highland and has been teaching for almost ten years. Lastly, we hired a new 5th grade teacher, Mr. Brown, who was teaching Kindergarten at Parkside last year. They are excited and ready to go. We had a relatively quiet summer with no big projects to be completed around the school this summer which allowed us to get the school looking in tip-top shape. We appreciate their hard work and have never looked so good! Please try and thank them for all their hard work if you get a chance.

Start the year.

Oregon Books & Games will be donating 5% of the total purchase when you pick up your books. Oregon Books & Games will be donating a portion of their proceeds to the Parkside library. Please remember to mention Parkside when purchasing books. We hope to see you again this year. Please remember mentioning with our Parkside Library counter on the 2nd floor. We will be part of the Angel Tree program again this year. Family! I’m looking forward to another great year and love being a part of the Parkside family. Thank you for your continued support and cooperation. I always enjoy talking with you whenever you have questions or concerns about your child. If you plan on volunteering please check in with the office to complete the necessary paperwork. If you have ideas you would like to share please go to the Parkside website and look under the parent tab where you will see a suggestion box link. Bus News

Parkside strives to keep a safe flow of traffic through our front parking area as parents drop off and pick up their children. If you need to park your vehicle while your child is inside school, please find a legal parking spot in the front parking area and return to your vehicle, and return it to the location where you initially parked it. If there are changes to this protocol, you may come to the office to obtain the new protocol. Please do this if your child has a medical condition or allergy that requires medication or if you need to change the protocol. If you receive a message or a note in the mail, please complete it and return it to the school office. If you receive a note in the mail, it is very important to complete the protocol and return it to the school office. It is also very important to provide updated health and safety information, including medical information, up-to-date emergency information, and other important information.
