Academic Progress

INDIVIDUAL STUDENT PROGRESS

Year-to-year progress in English language arts and mathematics.

Academic Success

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

Our school goals are that students will improve SBAC Reading and Writing scores by increasing grade level scores 5%, increase SBAC math scores by increasing grade level scores by 5% and decrease behavior referrals by 5% while continuing to positively focus on attendance.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school partners with our local law enforcement agency to enhance safety with a School Marshall Program. We regularly practice safety routines and trainings so all students feel comfortable and safe. We host many events that invite families and community in to our building including Open House, music programs, curriculum nights, BBQ and carnival.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Each year we review and practice common area rules and expectations including how to use playground equipment safely. We follow school board policies that govern our interventions and responses to bullying and harassment. Our main efforts are in prevention through curriculum, PBIS, and creating an environment that is inclusive and positive. We implement Kelso's Choice and Second Steps curriculum K-5 year-long as well as the supplemental Second Steps Bully Prevention Program by the end of October annually.

EXTRACURRICULAR ACTIVITIES

In addition to band and strings that is offered to 4th and 5th graders, we offer numerous opportunities outside of the regular school day including: Battle of the Books, Lego Robotics, Track, Skateboarding, Student Council, Honor Choir, Honor Orchestra, and a variety of after school clubs.

PARENT ENGAGEMENT

We have an active and supportive parent group as well as parent representatives on our Site Council and the district Parent Advisory Council. We communicate with families in a variety of ways including: email, monthly building newsletters, text messages through ParentSquare, classroom messages on newsletters and/or homework and our building website. Parent conferences are held twice a year but we welcome parent meetings as requested. We welcome family volunteers to work in our classrooms, school wide events and chaperone field trips.

COMMUNITY ENGAGEMENT

One of our biggest community partners is OPTIONS of Southern Oregon to provide mental health supports for our students. Our Public Safety Department partners with us to provide training with fire safety, safety protocols and they make classroom visits. We host parent education nights including Title 1 parent nights, science nights, and other community events.
