Academic Progress

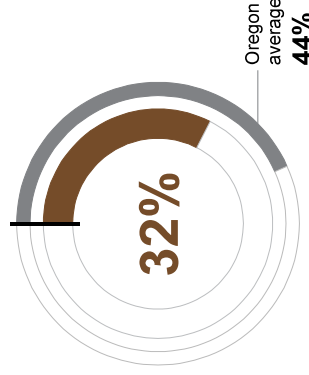

INDIVIDUAL STUDENT PROGRESS

Year-to-year progress in English language arts and mathematics.

Academic Success

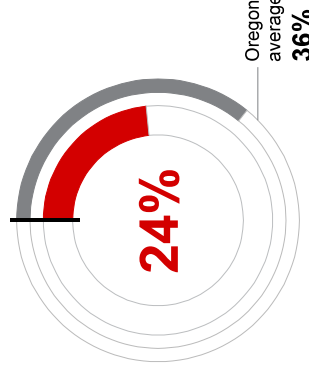

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

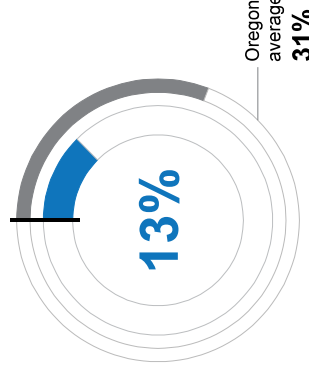

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

We will provide a culture that encourages all students to reach their potential and to become responsible, productive citizens. We will increase the number of students that are not chronically absent from a four-year average of 80.5% to 86%. The number of major behavior incidents will decrease by 5%, from a three-year average of 1,780 incidents to 1,690 incidents. We will increase 5th grade math outcomes on our SBAC from our three-year average of 20% to 25% of students meeting SBAC. We will increase each grade level DIBELS composite reading scores to 85% and grades 2-5 will increase DORF components (fluency and accuracy) by 5%.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school partners with our local law enforcement agency to enhance safety with a School Marshall Program. We regularly practice safety routines and trainings so all students feel comfortable and safe. We host many events that invite families and community in to our building including Open House, Back to School Night, music programs, curriculum nights, Fall Festival and Spring BBQ

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Each year we review and practice common area rules and expectations including how to use playground equipment safely. We follow school board policies that govern our interventions and responses to bullying and harassment. Our main efforts are in prevention through curriculum and creating an environment that is inclusive and positive. We implement Second Steps Curriculum K-5 year-long as well as the Second Steps Bully Prevention Program by the end of October annually. This year we will be participating in Playworks, a national program that supports learning and physical health by designing curriculum and activities for students to participate in during lunch.

EXTRACURRICULAR ACTIVITIES

In addition to band and strings that is offered to 4th and 5th graders, we offer numerous opportunities outside of the regular school day including: Battle of the Books, Honor Choir, Honor Orchestra, and a variety of after school sport activities.

PARENT ENGAGEMENT

We have an active and supportive Parent Teacher Association (PTA) as well as parent representatives on our Site Council and the district Parent Advisory Council. We communicate with families in a variety of ways including: email, newsletters, ParentsSquare, Peachjar, classroom messages on newsletters and/or homework and our building website. Parent conferences are held twice a year but we welcome parent meetings as requested. We welcome family volunteers to work in our classrooms, school wide events and chaperone field trips.

COMMUNITY ENGAGEMENT

One of our biggest community partners is OPTIONS of Southern Oregon to provide mental health supports for our students. Our Public Safety Department partners with us to provide training with fire safety, safety protocols and they make classroom visits. We host parent education nights including our very successful READY!, a Kindergarten event held annually. We have many business leaders who volunteer their time by either working in the classroom or making presentation to classrooms.
