

Woodworking
Required Project Score Sheet
Cabinetry

Name: _____ Period: _____ Date: _____ Final Grade: _____

Project: _____ Completion Date: _____

Assessment _____ Rating _____

Not used / Poor / Average / Above Average / Superior

- Bill of Materials.....0 1 2 3 4 5 6 7 8 9 10**
(Is your bill of materials accurate and complete?)
- Laminations.....0 1 2 3 4 5 6 7 8 9 10**
(Are there gaps in the laminations? Was grain direction taken into account?)
- Accuracy of final measurements.....0 1 2 3 4 5 6 7 8 9 10**
(Project measurements match the working drawings measurements + or - 1/16 inch)
- Accuracy of Joinery..... 0 1 2 3 4 5 6 7 8 9 10**
(Is everything tight-no gaps-and square? Did you use the correct joinery according to the plans?)
- Fit of Parts.....0 1 2 3 4 5 6 7 8 9 10**
(Do parts fit together well? Everything is square? No gaps, seamless?)
- Drawer / Door Fit.....0 1 2 3 4 5 6 7 8 9 10**
(Do the drawers / Doors fit into the openings? Do they function correctly? Are they constructed properly?)
- Face Frame / Trim Accuracy.....0 1 2 3 4 5 6 7 8 9 10**
(Does the face frame fit the carcass correctly? Is it attached properly? Is everything flush and tight?)
- Surface Preparation.....0 1 2 3 4 5 6 7 8 9 10**
(Visible adhesives, burn marks and pencil marks are unacceptable. All surfaces sanded properly. Defects or nail holes filled?)
- Finish.....0 1 2 3 4 5 6 7 8 9 10**
(If you chose to apply a finish, this needs to be graded. Your assessment is based on how well you prepared the surface for finish and your actual application of the finish)
- Time needed to Complete.....0 1 2 3 4 5 6 7 8 9 10**
(Did you complete your project in a timely manner?)

Total Points : _____ **Out of:** _____

Notes:
