PART I. STATEMENT OF WORK

A. DESCRIPTION OF PROJECT

The purpose of this RFP is to obtain quotations from vendors for the purchase of firewall and web content filtering for district wide usage. The District needs to replace our existing firewall/filtering devices in order to increase throughput to fully utilize our 10 Gig internet connection.

This solicitation is part of the District's E-rate process and the successful Vendor must be a registered service provider with the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) and must have a valid Service Provider Identification Number (SPIN). Vendors that wish to submit a quotation and do not have a valid SPIN number, may apply for and receive the number prior to award of quotation. Acceptance of a contract will constitute agreement by vendor to meet all vendor requirements for the District to successfully process and receive the appropriate E-rate reimbursement.

B. SPECIFICATIONS

1. The District item descriptions and proposed quantities sought are listed on PART III. QUOTATION FORM. These are projected quantities and in no way commit the District to the purchase of any amount whatsoever.
2. Any awarded items shall be delivered on or after July 1, 2020. Vendor submission shall show the proposed delivery date and shall be part of the evaluation items.
3. All submissions shall include: A. Warranty coverage provided on all equipment purchased. Minimum basic maintenance shall be 1 year from the date of equipment delivery as well as yearly cost for five years. B. Additional services included by Vendor/Reseller.

C. ADDITIONAL INFORMATION

1. Each Quotation shall be irrevocable for period of at least ninety (90) days from the Quotation Deadline and each vendor so agrees in submitting a Quotation.
2. Quotations submitted that require award of "all or none" of the items will NOT be considered. The District reserves the right to award to one or more vendors.

D. SPECIAL TERMS AND CONDITIONS

1. BRAND NAME

Manufacturer's names and/or brand names used in these specifications are for the purpose of identification and a basis for quality and features needed, and do not expressly or implicitly require or in any way limit what brands may be quoted. Unless the vendor states otherwise, it is understood that Quotations are submitted on the specifications as described in this RFP. The District's decision of alternate acceptability is final.

2. SILENCE OF SPECIFICATIONS

The apparent silence of the specifications and/or any supplemental specifications as to any detail, or the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only goods and workmanship of first quality are to be used. The District intends that vendors will furnish complete information for the Quotation. If any omitted specification results in ambiguity as to material characteristics of the goods, and inclusion is necessary to enable a reasonable person in the particular industry to properly identify such characteristics and respond with a complete Quotation then the vendor shall seek written request for clarification or change. Failure to make such a request is at the vendor's risk, and the vendor shall be required to provide goods meeting the District's needs with regard to any omitted specification for which a clarification or change should reasonably have been sought.

3. RESERVATION OF RIGHTS WITHOUT PREJUDICE

The District reserves the following rights (in the District's sole discretion): to amend the RFP; to extend the deadline for submitting Quotations; to decide whether a Quotation does or does not substantially comply with the requirements of this RFP; to waive any minor irregularity, informality, or nonconformance with this RFP; to reject any Quotation that fails to substantially comply with prescribed RFP requirements and procedures; to cancel the RFP; and/or to award or not award any part or all parts of any Quotation.
